

IT'S OUR TIME

Medford High 2010-2011

A large group of students, likely a school choir or band, are posed in many rows on a brick-paved path. They are surrounded by trees and a building in the background. A white rectangular box with red text is superimposed over the upper middle of the image.

FOR REFERENCE

Do Not Take From This Room

It's Our Time

Time after time, year after year, we have experienced the last bell at 7:45 AM, Dr. Krueger's "special announcements," and the difficulty of finding an open bathroom at the most inconvenient times. Week after week, day after day, we have gone to classes with the same groups of people, and sat at lunch with the same group of friends. Now it is "Our Time" - our senior year, finally time to mark our place at Medford High. As time passes, we will not remember the English papers we failed or the SATs for which we spent months preparing. Instead, we will remember the experiences we have had and the friends that we have made at Medford High School.

"Time is free, but it's priceless.

You can't own it, but you can use it.

You can't keep it but you can spend it.

Once you've lost it, you can never get it back."

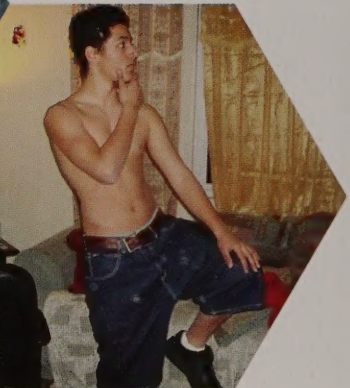

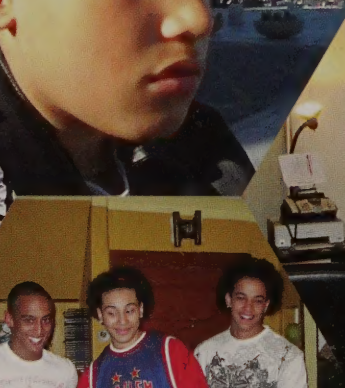

- Harvey McKay, *Swim With the Sharks Without Being Eaten Alive*

We grieve for you in silence and try so not to show.
But what it meant to lose you, no one will ever know.
You wished no one a farewell or ever said goodbye;
You were gone before we knew it, and only God knows why.
Golden hearts stopped beating and then laid to rest.

God broke our hearts to prove to us
He only takes the best.

8-9-2010 RIP Rene Valdez

- Michael Treadwell

I, along with many others, saw Rene as a part of our family - he was like a brother to us. He was loved by many at such a young age. As one of my close friends Brenda said to all of us after his death, "It's not good-bye; it's see you later." Rene will never leave; his spirit stays alive in the ones that love him. He was always the kid that had a smile on his face, and he had a way of putting people in a better mood when they were down. He was a smart kid that had a good head on his shoulders. Rene "Pretty Boy" Valdez will never be forgotten. May he rest in peace and keep that smile on his face.

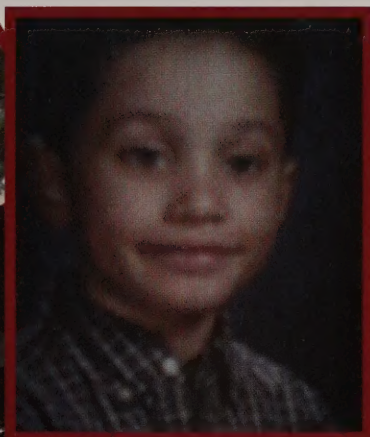

- AJ Graham

Be Easy

Rene Valdez

October 21, 1994 - August 9, 2010

Your Gentle Face

Your gentle face and patient smile
With sadness we recall.

You had a kindly word for each
And died beloved by all.

The voice is mute and stilled the heart
That loved us well and true.

Ah, bitter was the trial to part
From one so good as you.

You are not forgotten, loved one,
Nor will you ever be.

As long as life and memory last
We will remember thee.

We miss you now, our hearts are sore,
As time goes by we miss you more,
Your loving smile, your gentle face;
No one can fill your vacant place.

"Love will Never Fade"
by Gabriela Frank

No matter how far away,
Our love will never fade.
I pray to see you at night
So you can just hold me tight.
Things will never be the same,
But our love will always remain.
I'll never say goodbye
'Cause I know you're by my side.

You will never be forgotten.

The Senior Class Officers

It is imperative that we recognize the importance that these individuals had over our excellent senior year.

At least one of our class officers were responsible for every student-run program, event or activity this year. Each individual brings their own unique perspective to events relating to our senior year. The officers' dedication and motivation helped to make our experiences the very best they could be.

Timeless Appreciation!

David McKillop, Miranda Smith, Mikayla McGoff

Our class advisors, Ms. Westmark, Ms. Smith and Ms. Trainor have guided us through our four years at Medford High School. With their aid, guidance, and insight, these three people have done an excellent job helping us to become successful students. For that, the senior class commends our class advisors.

Q: What was your favorite high school experience?

Q: Who is a memorable teacher you had at MHS?

Q: What are your thoughts on the MHS campus?

Jared Archdeacon

I loved Junior Prom because the DJ played Daft Punk!

Loosen up! Don't take yourself so seriously.

I want to become a park ranger and start my own scented candle company using the natural ingredients I find in my park.

Mr. Szykniej. I never had him in middle-school, so when I first had him I was a little intimidated, but after orchestra I saw how awesome he is.

Sophomore year math class when Thomas hid under Ms. Marotta's desk and waited for her to sit. Instead he waited for twenty minutes while she spoke to Dr. Krueger.

Be careful what you do; even the smallest things can make a big difference.

Thomas Flores

Yuna Farah

The lockdown freshman year. We were in Mr. Kain's room for half an hour. It was a good introduction to high school.

Mr. Heinegg, because we could have conversations about anything and no other teacher teaches the Urban Dictionary.

There is room for improvement. They need to brighten up the place so kids don't dread coming into a gray concrete building, but overall I can't complain.

Q: What do you want to do after MHS?

I plan to become a high school history teacher, preferably US history, but by that point I'll take whatever I can get!

Mike Montiel

Q: Who is someone that you met at MHS whom you will always remember?

Gina DiStefano. I can without a doubt say has been one of the closest relationships I have made at MHS. I met her in Ms. Smith's class and ever since then we have done everything together.

Q: What was your favorite high school experience?

Participating in the Thanksgiving Day football game. It was like no game I have ever played before. The rush of excitement I had before the game and the rush of emotions I had during the game were unlike anything I have ever felt before.

Q: What was your favorite high school experience?

Jasmine Etesse

The trip to Kimballs Farms. Even though it started raining while we were on the trip, everybody made the best of it. I especially liked the bumper boats!

Q: What clubs and sports did you participate in?

Freshman and Sophomore year I participated in cross-country, and freshman year to the present I've participated in Mock Trial and the Spring Musical.

Q: What is a piece of advice that you would like to give to the Class of 2011?

Continue the success wherever life takes you and don't let others define who you are or your potential. And Congratulations!

Q: What was your favorite high school experience?

Meeting my friends. They made these four years fly by and are the funniest people I'll ever meet.

Brian Burgess

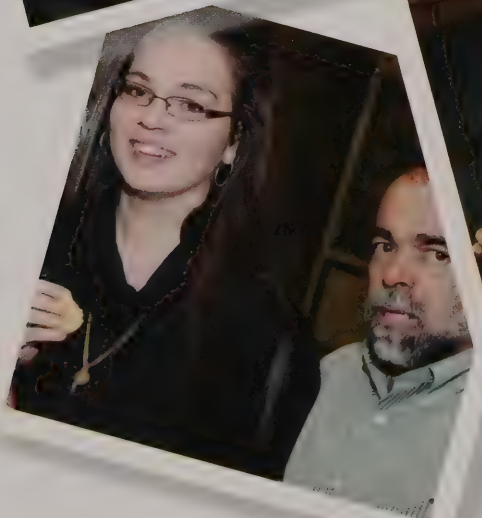

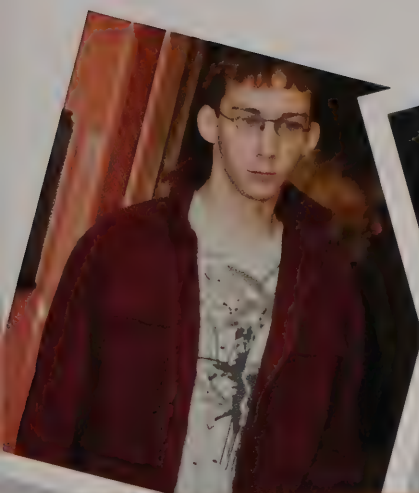

Q: What is a piece of advice you would like to give to the class of 2011?

Do what YOU want. Look reality straight in the eye and deny it.

Q: Who is someone you met at MHS whom you will always remember?

Mr. Lewis. From day one we clicked all because of Tim & Eric Awesome Shoe Great Job. We shared the same musical, literary, comedic, and everyday interests.

Curtis Tufts

The Curtis-Tufts High School is part of the Medford Public Schools and provides students in special education a unique setting to grow, academically and personally, while meeting traditional graduation requirements. The Curtis-Tufts High School is a smaller school setting that affords students a close connection with teachers, individualized instruction, social and emotional development, and a chance to be academically successful.

These photos are from the annual "Tuesday Thanksgiving Dinner." The dinner is a great opportunity for students and staff to work together to prepare a traditional feast for the whole community. The Curtis-Tufts community invites numerous supporters from Medford and various "friends of the Curtis" - including Mayor McGlynn, who always challenges the students to a game of pool. Students and staff transform the lunchroom with holiday decorations, linens, and the entrancing smell of traditional foods: appetizers, turkey, vegetables, and desserts. The dinner signals the start of each holiday season and helps teach students what can be accomplished when a community works together.

Twins & Triplets

"My favorite memory of being a twin is the time I mixed us up. I was about seven years old, and was walking out of a store with my Dad and I saw a mirror. I told my Dad, 'Hey there's Christopher!' He just started laughing at me because for a moment I really thought it was my brother in the mirror."

-Ridge Twins

"The best part about being a twin is that you're never alone. Especially as children, we always had each other. We never had to call up friends because we were bored. We were inseparable and did everything together: we rode bikes, played football and lacrosse, sailed, walked to school together, made forts, gambled with coins over a poker game. The possibilities were endless. We were best friends growing up and always went to each other for help."

SUMMERTIME

For three months, Medford High students spend their days relaxing in the hot summer sun. Beaches are crowded with MHS students; however, some opted to spend their summer working. Senior Ivana Garcia spent her summer lifeguarding, while senior Emily Nixon worked in a biology Lab.

Nonetheless, whether working in a lab or tanning in the sun, MHS students enjoyed their time away from school.

Driving Range

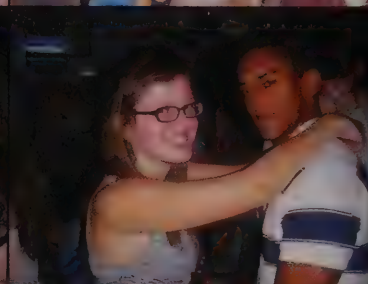

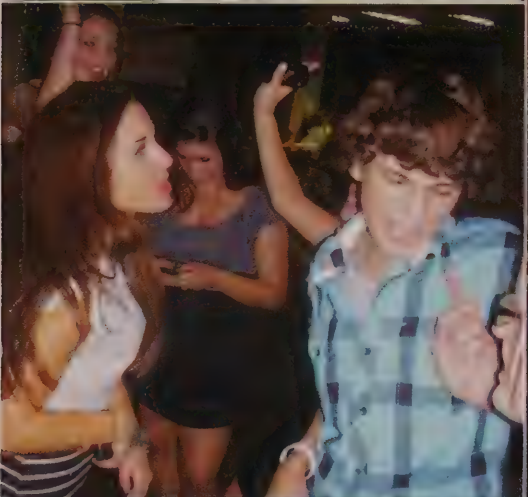

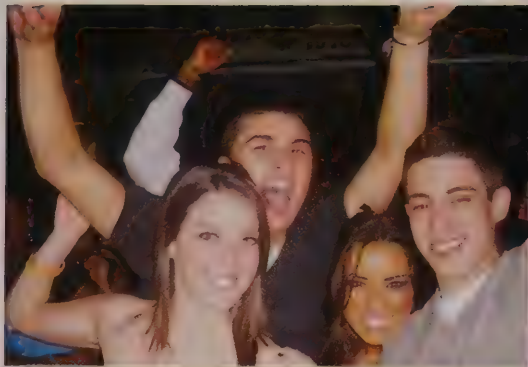

On our trip to Kimball's farm in September 2010, students were greeted with barbecue and homemade ice cream right away, underneath assorted tents. Volleyball and the driving range became popular once the food was done - until of course, it started raining! Thunder and lightning drew people inside to the arcade, where games were swarmed and prizes were won. Once the rain was gone everyone returned outside, to play mini golf and battle each other in the bumperboats!

Senior Pride

A special thanks to Mr. Cullen and the Student Council for making the Homecoming dance possible!

Homecoming

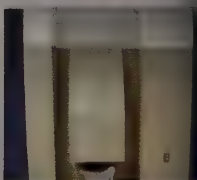

All four grades piled in the lobby on October 15, 2010 for the annual Homecoming Dance. Organized by MHS student council and its advisor Mr. Cullen, the event was a success. DJ Luigi Disisto played plenty of music that kept the students dancing all night. Dozens of students danced on the stairs in the lobby to show off their dance moves. As the end of the night approached, the Homecoming King and Queen were announced: Abdius Maleus and Alisa Vita.

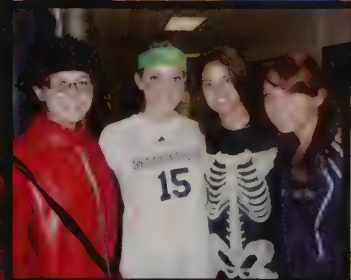

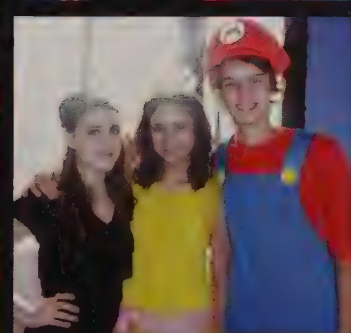

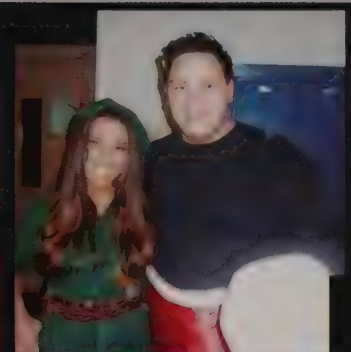

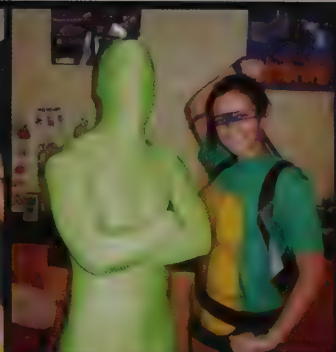

You Know You Went to MHS When...

- The heater works during the spring and the A.C works during the winter.
- You receive your schedule draft and there are blanks everywhere.
- The P.A. beeps into the classroom and there is absolute silence.
 - You have daily meetings with your classes about sabotaging other students.
- You have to run all over the school to find the one open bathroom during that certain period.
- The Mustang color is navy blue but there is a maroon wall in each classroom.
 - You have gotten your drink confiscated in the morning by Dr. Krueger.
 - You have tried to find third floor A building.
 - Water fountains are caged in.
 - You have gotten a late slip from Mr. Ross.
- You decide to stay home because you are too afraid to be late to school.
- The nurses give you "Tylenol" when it never actually helps.
- You have to push underclassmen out of your way to make it to class in time.

One Game at a Time

For the second year in a row, the Medford Mustangs clinched another GBL Title. However, this year the team made history again. Not only did the Mustangs end their season undefeated in the GBL, they did not give up a single goal all season in conference play. Junior Jackie Pellechia had eight shutouts and was named MVP of the league. The team was lead by senior captains Kristina Bove, Lauren Bandoian, and Katie O'Brien along with seniors - Alisa Vita, Lisa Bandoian, Lindsey Bandoian, Robin Carpenter, Arianna Roach and Deanna Cavallaro. The Mustangs made it to the state tournament for the second consecutive year and proved they were a dynamic team both on and off the field. FSU, Always.

This year in cheering, we have had our ups and downs, but we never gave up. The team overcame every obstacle that was placed in front of us. Cheerleading takes hard work and dedication, and our entire team demonstrated this throughout the season. Through everything that had gone on, the team came together and I could not be more proud of the girls. As a cheering team, it takes the work of everyone on the team, not just one person. We worked together, and were successful.

-Captain Jessica Albano

MUSTANG CHEER LEADING

Vince Lombardi once said, "The greatest accomplishment is not in ever falling, but in rising again after you fall." With those words fixed in our minds, the girls' volleyball team faced some strong competition throughout the season, playing top teams in the state such as Brookline and Newton South. Our determination and perseverance fueled one common goal of playing our hardest to win. On and off the court, we held teamwork and commitment in the highest regard. As a team, we worked together and played with a passion and ambition for a sport we all love: Volleyball.

A Message from the Captains

"This fall season, the Medford High rowing team participated in a few regattas, including MPSRA State Championships and the Head of the Mystic. Coaches Amy Byron and Nate Dias worked on technique, strength, and endurance during this season. Both boys and girls varsity boats cut their times by more than two minutes this season; in rowing time, that is quite a significant improvement.

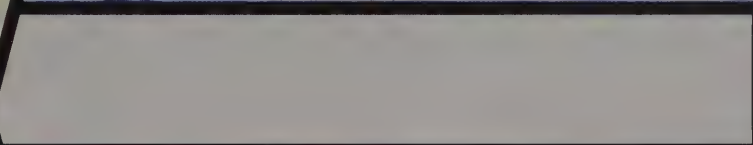

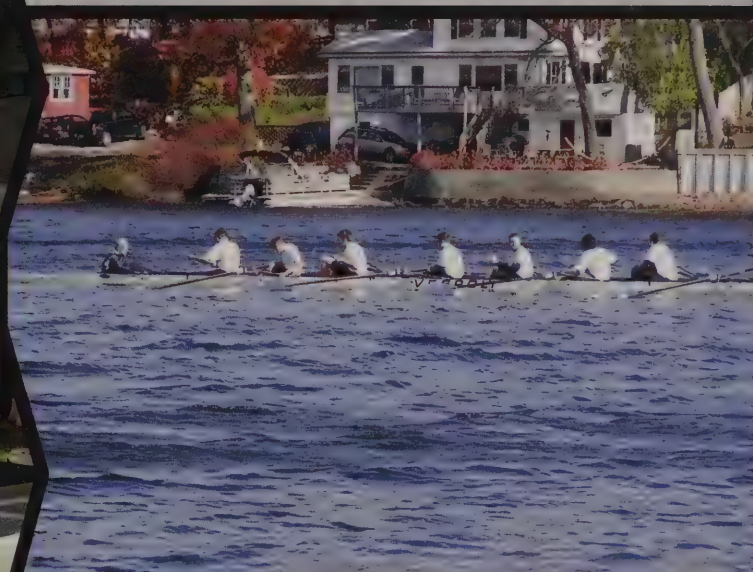

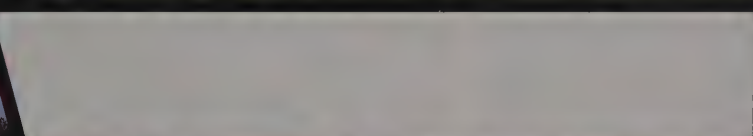

During the winter, the team had a fudge fundraiser to help raise money for boats, oars, parts, and other necessities for sustaining the team. The future of the Medford High rowing team is bright, and with the spring season right around the corner, the team is looking forward to rowing faster, training harder, and winning more - but most of all working together as a team, as a family."

SWIM TEAM

Captain Robin Carpenter

"Some people say a large team is better for swimming, but I can say that with merely 15 swimmers, we did just fine. It has been a challenging four years of high school swimming; I couldn't have done it without all of my teammates. The friends I've made and the laughs we've shared have made the whole experience such a pleasure. Everyone calls us crazy for willingly waking up at 4:30am to be at practice at 5:00am, but we call it love. Swimming can be an individual sport, but when you look around and see your teammates, you know that you are really fighting together for the Mustangs. This will always be a season to remember."

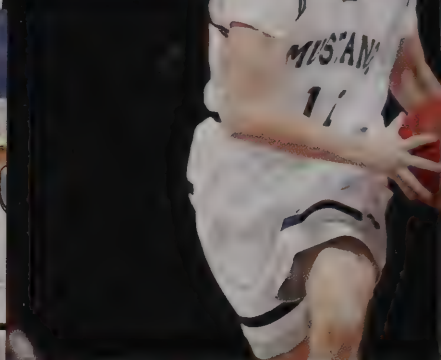

The team was like a second family. We trained hard every morning and raced strong during each swim meet. To be successful, I had to practice very hard two or three times a day to become a champ. We all worked hard together as a team and I am looking forward to next season." - Jaquison Xavier

GIRLS' VARSITY BASKETBALL

The girls varsity basketball team had a successful season as they won GBL for the first time in 19 years! Coach Leo Burke encouraged his team to reach their full potential and to "Be a player!" "This season has been one of the best seasons in my MHS hockey career. Everyone came out and played hard this year. We knew we could go far this season with a winning record. This season we had to overcome injuries with Marissa Williams dislocating her shoulder and our Co-Captain Denise Palmacci dislocating her knee. There were also many accomplishments this season with Brittani Lanzilli and I reaching the 100-point mark. We also became GBL champs for the first time and qualified for the State Tournament again! I will miss calling myself a Mustang!"

Boys' Hockey

"My experiences playing hockey at Medford High School have changed my life. I have witnessed times of greatness, like beating Woburn in the states in a shoot out, and times when the team really worked together. This is the time in my life that is filled with memories of playing my favorite sport with my best friends, something I will cherish forever. My time being a student-athlete at MHS has impacted me in a way that made me love this class, this school, and this city."

"Our team has grown over the last four years, transforming from pretty good to back-to-back league champions. We are still not satisfied with just winning the GBL. Our work ethic and determination will carry us far; couple that with our lacrosse talent, and the future looks bright. On a personal note, these seniors are very special to me. They are the first 'freshmen' team to graduate from our program. They also made history last season, winning the first ever tournament game for MHS; not bad for a bunch of girls from Medford!"

- Coach Galusi

GIRLS' VARSITY LACROSSE

The 2011 season started off rocky with a late start to preseason workouts due to the excessive amount of snow days in January. The late start didn't stop the team from working hard to compete with difficult teams like rivals Central Catholic High School. After winning their first state game ever and the MIAA Sportsmanship Award last season, this year's team had big shoes to fill, stepping onto the new turf field for the first time. The team was led by senior captains Deanna Cavallaro, Katie O'Brien and Mady Forcier, along with seniors Ericka Silva, Taylor Mason, Kathleen Harding, Alana Viveiros, Leigh Williams, and Michaela Botticelli. The seniors, and team, worked hard for a memorable season.

Captain
Deanna Cavallaro

"After having been on this team for four years, I know that no previous team has ever been this close. Each year we progressively get better, and I know these girls can achieve anything. Follow your dreams girls, and keep working hard! Love you girls."

Captain
Madeline Forcier

"Lacrosse, for me, is more than a team. It is a family. It's a group of girls that all have an indescribable passion for one thing: lacrosse. With the help of an amazing coach and the guidance from each other, we have achieved the unimaginable. I love you girls."

Captain
Katie O'Brien

"I am proud to be part of a passionate group of girls that worked hard throughout the season to achieve success. I'm going to miss my lax family, Breanna's Nutella ravioli, and the bond that we've shared. Good luck to my fellow seniors!"

BOYS' BASEBALL

A look at the home field Playstead Park, as the Mustangs begin to prepare for the season ahead. Following a state tournament run last year, they hope to return to their prime this year and shine under the lights as they face a tough Greater Boston League schedule. With a few stars returning, they hope the underclassmen can step up along with the returning players and bring them quickly to midseason form.

SOFTBALL

During the 2010 season, our girls' softball team made the state tournament. It could not have been done without the great talent possessed by this team, especially that of our seniors. The 2011 season promised to be as successful as the memorable seasons before!

MHS BAND

The MHS Marching Band began its season at Hormel Stadium and ended it at a festival at Six Flags. Throughout the year, the band learned many new pieces and styles of music. The musicians displayed their knowledge of march music in songs such as "On to Victory," skills in classical music in "March and Procession of Bacchus," and pop skills in football game music such as "Bad Romance." The band also excited its audience in both the winter and spring concerts. Meanwhile, the MHS Jazz Band performed such jazz favorites as "Sing, Sing, Sing" and "Take Five." On May 13th, the band attended its first-ever festival at Six Flags, performing the piece "Fanfare for a New Generation." In June the band said goodbye to twenty-one of its seniors at graduation.

Spain Trip 2011

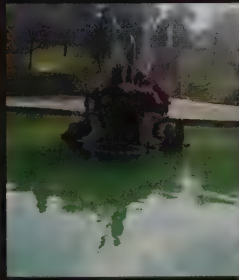

Thanks to Mrs. Lepore, Mrs. Camara, Mr. Skorker, and Mrs. Bowler, a group of 26 students had the chance to visit Spain. They visited Madrid, Segovia, Grenada, Toledo, Cordoba, Seville, and Costa del Sol. The group got to see beautiful mountains and sights all around Spain. They had the chance to see Real Madrid play, to go to a dance, and to see different historical places. Many of the students formed lasting friendships with students they hadn't even talked to before. All in all, it was a trip that they will never forget.

Italy Trip 2011

During February vacation, Mrs. DiCarlo took a group of students on a trip to Italy. They visited Rome, Florence, and Sorrento. They had the opportunity to see such historical sites as the Colosseum and the Treve Fountain. The students got the chance to go dancing and to visit a school. Two other schools accompanied them, and they made new friends and had a great time!
